Chairman's Chat

Hello All

What a good U3A month I have had, with first the General meeting with very good attendance, not seen since 2019, and a very entertaining speaker. This was followed by the Aviation History Group with an excellent talk on the life of a Naval Officer, from his basic training to becoming a Helicopter Pilot. Following his experiences on HMS Argonaut and HMS Ark Royal, then being in the Falklands War on The Atlantic Conveyor, being sunk and spending 5 hrs in the freezing water before being rescued. He then ended up as Commanding officer at RNAS Culdrose.

At the end of the month, June and I attended Deene Park near Corby with the Garden Group. We were taken round the Gardens by the Head Gardener who was very knowledgeable about the garden itself but also knew all about the Brudenell family who have occupied Deene Park for a very long time.

I also attended a jazz evening at Baston where our Jazz Group were in attendance all enjoying the music. Fantastic Jazz with a six-piece Jazz Band all of whom had been with the big bands of the sixties and seventies.

All this goes to show how valuable our U3A is in allowing us to get out after the worst of Covid is over and enjoy ourselves, which must be good for our general health and wellbeing.

I was also lucky to get invited by relatives to a three-night stay in a very nice lodge at Raywell Hall near Beverly. Even though it was wet and windy we all had a lovely family catchup and plenty of good food.

Group News

Music for Pleasure (Closure of Group)

I took over as temporary leader of the Music for Pleasure group when Janet McNeil left some years ago. I hoped at that time that our numbers would increase and someone younger would be willing to replace me. Unfortunately, we have been unable to increase our membership and our numbers have gradually decreased so much that the group is no longer viable. I have therefore regretfully decided to resign as group leader and the group will no longer operate. It was one of the first groups to be formed after the foundation of Bourne U3A and has been running for over 20 years, so I am very sorry to see it go. I hope that someone in the future will be able and willing to restart it. If any of our present members would like to do so, please contact Pat Howes.

Poetry Group

Poetry Group for Newsletter - 86th Meeting

In March, the Poetry Group dallied with George Gordon, better known as Lord Byron (1788-1824), and then shared poems chosen by poets whose first name begins with the letter 'G'.

Byron became a huge celebrity during his lifetime and was always controversial. He is considered to be a representative of the Romantic school, a poetic tendency that may be seen as politically left of center. He was a deist, a freethinker, a republican and a radical. He wrote several long, narrative poems (hundreds of verses), that put the humbug and hypocrisy of Establishment figures under the lens of his satire. Perhaps his best-loved poem, today, is the short one that follows:

She Walks in Beauty

She walks in beauty, like the night
of cloudless climes and starry skies;
and all that's best of dark and bright
meet in her aspect and her eyes;
thus mellowed to that tender light
which heaven to gaudy day denies.

One shade the more, one ray the less,
had half impaired the nameless grace
which waves in every raven tress,
or softly lightens o'er her face;
where thoughts serenely sweet express,
how pure, how dear their dwelling-place.

And on that cheek, and o'er that brow,
so soft, so calm, yet eloquent,
the smiles that win, the tints that glow,
but tell of days in goodness spent,
a mind at peace with all below,
a heart whose love is innocent!

Friday Striders

21 Striders met at Stoke Rochford on another lovely sunny February morning. After leaving the car park the walk took us through Stoke Rochford Hall which over time has been a family home, a teacher training centre, a conference centre and currently a hotel.

After pausing beside a memorial plaque to hear about a World War 2 tragedy involving a Lancaster that crashed in the grounds in late April 1945, all seven crew members died, 6 Canadians and 1 RAF. The walk continued through the grounds and passed through the golf course.

We proceeded along a couple of field edge footpaths before emerging out onto the Skillington Road. A brief stoppage was taken at the end of the road for coffee before continuing towards Ponton Heath Farm. After

passing the farm picked up footpath onto the left and at the end joined a farm track which re-emerged once again onto the Skillington Road. Road then headed down into a valley and up the other side before we turned left onto footpath leading us back towards Stoke Rochford Hall. After re-tracing our footsteps, we returned to the end the walk back at the car park car. It was a very enjoyable 6-mile walk. After the walk 14 members went onto the White Lion at Colsterworth for a pleasant lunch.

Science and Technology Group

Tim Davies will talk about the fascinating story of U534, a German U Boat suspected of carrying Nazi gold, that was sunk towards the end of World War Two. It was salvaged in 1993 and ended up as a museum exhibit in Birkenhead. When the museum was renewed in 2009, Tim's company was involved in cutting the vessel into five pieces and relocating it in Birkenhead before joining two of the pieces back together. His talk deals with the background to the story, and the engineering problems they had to overcome.

The meeting will be held on Tuesday 5 April in St Firmin's Church Hall, Thurlby, PE10 0EH. Refreshments will be served from 09.30 and all Bourne U3A members are welcome to attend.
